

Fall Programs

at Genesee County Park and Forest

Owl Prowl

Owls are amazing, helpful birds of prey! Discover the habits of your nocturnal neighbors and explore the forest at night. Listen for the calls of winged wildlife and the footsteps of stealthy critters. Anything can happen on an owl prow!

Saturday, September 26th
7:30-8:45 pm

Bats in Your Backyard

What animal can fly 60 miles per hour, eliminate up to 1,200 mosquitoes in an hour, and live to be 30 years old? Bats! Explore the world of your local and exotic furry flying friends as you see awesome pictures, hear about their lives, and venture out on a creatures of the night hike!

Saturday, October 17th
7:00-9:00 pm

\$5/person, \$10/family

Recommended for ages 4 and up

Pre-registration required, call 585-344-1122
