2010 CENSUS DAY!

Today is 2010 Census Day, the official reference date for the United States Census! This day serves as the point-in-time benchmark for the nation's population county for the next ten years. To date, 68% of Genesee County households have mailed back their Census questionnaires. It is strongly encouraged that those that have not mailed back their Census questionnaire do so as soon as possible. Remember, it's your future, don't leave it blank!

Thank you to the Genesee County Legislature and all elected officials throughout the County for all their support to ensure that we have a successful 2010 United States Census!
