

WAYS TO HELP THE ANIMALS

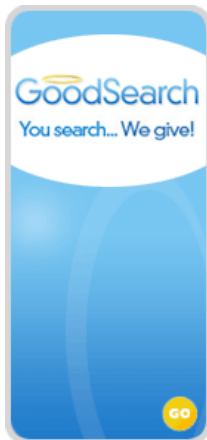

Donations

Volunteers For Animals is always in need of monetary donations for the animals at the Genesee County Animal Shelter. Our largest expense is veterinary care for sick and injured animals but more importantly to spay and neuter as many animals as possible BEFORE they leave the Shelter. Spaying and neutering animals before they leave the Shelter is the ONLY way to reduce the number of homeless animals. In addition to vet care, we also purchase FIV/FelV tests for cats, Advantage and deworming medications for cats and dogs. Please consider making a donation today.

Donations can be made safely and securely with your credit card using PAYPAL on our website at www.vol4animals.org
