

Meals for Pets

Meals on Wheels supports the idea that pets provide love and companionship and improve quality of life for their owners. Therefore, The Genesee County Meals on Wheels Program will start a Meals for Pets Program. Meals for Pets delivers monthly supplies of cat and dog food to our meal recipients who need assistance with meals for their pets.

Genesee Feeds has graciously offered to provide us with a supply of dry dog and cat food. Your donation of **canned** cat or dog food or dollars to support this program is greatly appreciated. Collection boxes are located at Genesee Feeds and the OFA. The gratifying aspect of our program is that we know how much comfort a pet can bring and we are glad to know that we can continue to keep both our clients AND their beloved pets fed.

How can you help?

Assisting with our Meals for Pets program is fun and easy. Here are just a few of the ways you can help:

- * Donate pet food to *Meals for Pets*.
 - ~ Pop top cans of dog and cat food
 - ~ Supplies for repackaging large-quantity bags of dry food (1 gallon and 2-1/2 gallon plastic storage bags—zipper style)
- * Organize a pet food drive at your school, club, business, or faith based organization.

Thank you for your support of Meals on Wheels. Thanks to our dedicated family of volunteers, we can ensure that all of our homebound neighbors—and *their pets*—receive nutritious meals.
