Genesee Youth Lead is a leadership development program for youth in Genesee County. This nine month long program focuses on developing the leadership skills within an individual through each specific session and the hands on experience you will have. Each month will have a different focus of our community.

We are seeking Juniors and Seniors in Genesee County High Schools for the inaugural class. The ideal candidate will have carefully considered and have the time to commit to the program in which class will be held monthly with assignments and service opportunities in-between sessions. We are seeking youth representing a cross section of our community to ensure all participants get the most out of the program.

The selection process will be done by the staff for the program based on applications submitted and interviews. The class size is limited. Youth that complete the program are encouraged to use the skills and information gained through the experience to support the communities in which they live.

With the application please attach a letter providing a personal statement explaining your leadership philosophy, academic achievement, extra-curricular and community involvement, and career aspirations.
