Genesee County

Shared Services Tax Savings

2023 PLAN

GENESEE COUNTY MANAGER'S OFFICE
7 Main Street, Batavia, New York 14020 • Phone (585) 344-2550 ext. 2200

L. Matthew Landers | County Manager
Tammi Ferringer | Assistant County Manager

INTRODUCTION

The Countywide Shared Services Initiative (CWSSI), established by the Governor in the FY18 State Budget, was a statewide initiative initially requiring the chief executive officers in the 57 counties outside of New York City to convene Shared Services Panels for the purpose of identifying and developing shared services projects. Effective January 1, 2021, Section 239-bb of Article 12-I of General Municipal Law did eliminated the requirement of participation for municipalities. While no longer mandated, it has been found the CWSSI is an opportunity for intergovernmental cooperation and advancement.

Genesee County's Shared Services Panel consist of the Managers of the County and City, Town Supervisors and Village Mayors. This has created a working Shared Services Panel of at least 21 officials. It is understood that the panel could be expanded to include any school district, board of cooperative educational services, fire protection or special district representatives.

The CWSSI requires the County Manager convene at least two (2) panel meetings and three (3) public hearings in advance of a submission of the Shared Services Plan to New York State. The process is organized and administered by the County and the inter-governmental panel is chaired by the County Manager, L. Matthew Landers.

The goal of the CWSSI is to save property taxpayers money, by identifying collaborative opportunities for shared services between as many local governments as possible. Prospects for both short-term and long-term savings are considered.

SHARED SERVICES PANEL

Must consist of a representative from the County (CEO, Administrator, or Manager), city (Manager), each town (Supervisor) and village (Mayor):

County of Genesee	
	rs, County Manager
City of Batavia	A N.A
Rachel Tabelski, Ci	ty Manager
Town of	
Alabama	Robert Crossen, Supervisor
Alexander	David Miller, Supervisor
Batavia	Greg Post, Supervisor
Bergen	Ernest Haywood, Supervisor
Bethany	Carl Hyde, Supervisor
Byron	Peter Yasses, Supervisor
Darien	Stephen Ferry, Jr., Supervisor
Elba	Donna Hynes, Supervisor
LeRoy	James Farnholz, Supervisor
Oakfield	Matthew Martin, Supervisor
Pavilion	Rob LaPoint, Supervisor
Pembroke	Thomas Schneider, Supervisor
Stafford	Robert Clement, Supervisor
Village of	
Alexander	Jason Breton, Mayor
Bergen	Joseph Chimino, Mayor
Corfu	Thomas Sargent, Mayor
Elba	Norm Itjen, Mayor
Leroy	Greg Rogers, Mayor
Oakfield	Dave Boyle, Mayor

The County may opt to invite any school district, board of cooperative educational services, fire district, fire protection district, or special improvement district in the county.

KEY ROLES & RESPONSIBILITES

Role of the County Manager's Office

- Staff the panel and represent the County and its residents
- Commence meetings and consult with the required panel members
- Organize public hearings and topical meetings with key strategic partners
- Develop and submit the plan, estimated Cost Savings Certification for County Legislature review
- Submit the final approved plan with certification to the NYS Division of the Budget
- Present the final approved plan to the public

Role of Municipal Partners (City, Town and Village Representatives)

- Represent their local government and residents on the Shared Services Panel
- Participate in plan development and provide local costs and savings estimates
- Collaborate with other panel members and recommend actions for implementation
- Determine if their municipality should opt-out of any actions proposed in the plan
- Vote on the plan and provide written reasons for their vote

Plan Contents

The plan must contain new, recurring property tax savings from actions such as, but not limited to:

- Elimination of duplicative services;
- Shared Services, such as joint purchasing, shared highway equipment, shared storage facilities, shared plowing services, and energy and insurance pushing cooperatives;
- Reductions in administrative overhead; and
- Better coordination of services.

Savings from each new plan action implemented in the applicable match year must be related to activities supported by property taxes. Net savings from services supported solely by fees are not eligible for matching funds from the state.

The final approved plan will include a certification of savings to be achieved through implementation of the shared services actions. For Genesee County's plan that will be submitted for 2023, the certified savings will be tracked and documented for **new actions taken on and after January 1, 2024 through December 31, 2024.**

PROPOSALS FOR CONSIDERATION

PROPOSAL ONE: Mutual Aid Bunk-in Program

Participating Municipalities: Bergen Fire Department (FD), Brockport FD, Hamlin FD, Churchville FD,

Murray FD

Anticipated Annual Savings: \$480,000

Projected NYS Match: \$480,000

The participating agencies will work together to purchase and renovate a house/complex for the needs of implementing a multi-department bunk-in program targeting local schools and universities with the goal of bringing in students that are mutual aid firefighters.

Savings in expected to be realized thru increasing the number of volunteer firefighters by offering housing to students at local colleges in return for work as volunteer firefighters, thereby avoiding the cost of paid professional services.

PROPOSAL TWO: Countywide Broadband Initiative

Participating Municipalities: County of Genesee and Genesee County Towns/Villages

Anticipated Annual Savings: \$291,000

Projected NYS Match: \$291,000

Genesee County municipal leaders are collaborating in a large-scale countywide project that will bring broadband access to every mile of the County. This project is was anticipated to begin in 2023, however, delayed due to ongoing contract negotiations with the service provider. This project is anticipated to begin in 2024.

The savings is being recognized through collaboration. Pooling the projects together will result in a lower cost from the vendor rather than implementing these improvements individually.

PROPOSAL THREE: Grants Writing Services

Participating Municipalities: County of Genesee and City of Batavia

Anticipated Annual Savings: \$100,000

Projected NYS Match: \$100,000

Genesee County and the City of Batavia are exploring sharing resources for grant writing services, thereby eliminating and/or reducing duplication.

Savings would be recognized with cost avoidance. Historically, the County contracts with an agency for grant writing while the City employs an individual for these services. The County is underserved and has a need to expand to bring more attention and effort to function. The two entities are looking at sharing the services of the employee, thereby avoiding the cost of the County adding another position.

PROPOSAL FOUR: Information Technology Services (ITS)

Participating Municipalities: County of Genesee and City of Batavia

Anticipated Annual Savings: \$125,000

Projected NYS Match: \$125,000

Genesee County and the City of Batavia are exploring sharing resources for ITS, thereby eliminating and/or reducing duplication.

Savings would be recognized through the merger of programs. Currently, the City contracts for ITS. The two entities are looking at pulling the City under the County's network umbrella, thereby eliminating the need for outside contract services.
