NOTICE OF PUBLIC GATHERING

On Monday, May 14, 2012 at 4:00 pm the Genesee County Legislature including Chairperson Mary Pat Hancock, NYSAC 2011/12 President will be holding a public event to highlight the ongoing struggles New York State Counties like Genesee are having even after the recently enacted 2012/13 New York State Budget and its meager fiscal mandate relief.

Across New York State 57 Counties are holding similar public information events to champion the continued need for Albany – the State Legislature and State Executive, Governor Cuomo to do more and make a more specific commitment and enact, during this remaining State Legislative session, more long-term programmatic and fiscal relief for its mandate service providers/payers – New York State County Government.

The May 14 information sharing opportunity will be held in the County Legislature Chambers, 7 Main Street, Batavia, New York at 4:00pm, preceding the County Legislature's Public Service Committee meeting.

This notice is being posted because a quorum of the Genesee County Legislature may be present at this meeting. It is not the intention of the Legislature to conduct a meeting at this gathering. The Legislature will take no action.
